Chapter 1: The Arrival in Rain

The carriage stopped before the iron gates of Blackwood as thunder rolled.

Old caretaker Thomas warned Julian never to visit the east wing after dark.

Chapter 2: The Locked Study

A grandfather clock that had not ticked in fifty years began striking midnight.

Behind the bookshelf lay a hidden corridor with cold drafts.

Chapter 3: Footsteps in the Fog

Shadows moved along the gallery where portraits of ancestors hung in silence.

Julian discovered a diary written in mirror script dated 1842.
